We continue working for a dynamic and responsible development of emerging technologies

Kiyoshi Tsuru, founding partner and director of the firm, and Orlando Perez, partner of the firm, delivered a keynote speech entitled "Use of AI in electoral matters: opportunities and challenges" at the Permanent Commission Hall of the Senate of the Republic.

The session was convened by the National Artificial Intelligence Alliance (ANIA) and Senator Alejandra Lagunes, focusing on the impacts and challenges of #IA in electoral processes.

TMI's partners have participated in various conferences and forums to discuss innovative regulation schemes for emerging technologies with groups of experts and regulators.

As chair of the Intellectual Property Committee of the American Chamber of Commerce of Mexico, Irely Aquique participated in the inauguration of the seminar organized by the U.S. Embassy in Mexico, USPTO and U.S. Customs and Border Protection for customs officials at Pantaco, Mexico City International Airport (AICM), Toluca International Airport (AIT) and Felipe Angeles International Airport (AIFA).

Rodolfo Rangel, managing partner of the firm, participated in the seminar "International Intellectual Property Arbitration" organized by the World Intellectual Property Organization (WIPO) and the Spanish and Ibero-American Arbitration Club (CEIA).

Irely Aquique is nominated for Intellectual Property Lawyer of the Year
